#### Innovative Classroom Solution

The IMAGO AIOS Plus is an advanced interactive smart boards revolutionizing education. With a built-in camera and microphone, it offers a multisensory learning experience for both students and teachers. Ideal for SMEs and K-12 schools, this feature-rich whiteboard transforms traditional teaching methods for the digital age.

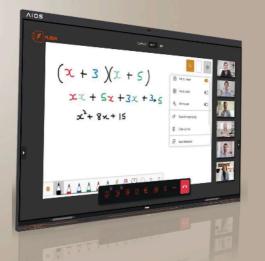

### > Collaborate Seamlessly

IMAGO AIOS Plus offers an effortless and innovative solution for sharing and collaboration. Utilizing the interactive whiteboard's intuitive wireless sharing feature, you can easily send content from your phone to the board with a single click. Whether you're presenting a business proposal or teaching a lesson, seamless collaboration is at your fingertips.

# Elevate Your Learning and Working Experience

IMAGO AIOS Plus goes beyond a typical whiteboard. Our interactive solutions empower users to control the device from their phones, enhancing team productivity through innovative flowchart sharing, brainstorming, and wireframing in meetings. This versatile utility also extends to the classroom, fostering a more engaging and attentive learning atmosphere.

## **IMAGO Flash**

A secure, user-friendly video conference app designed for consistent performance across devices and platforms. Ideal for virtual/hybrid classrooms, it provides an instant, seamless experience for setting up or joining video calls anytime, anywhere—all in one application.

#### **IMAGO Collab**

A virtual whiteboard with a rich library, enables seamless collaboration on any device or browser.

It empowers teams to communicate across various formats and time zones, overcoming physical constraints.

With an Al-powered image generator and templates, IMAGO Collab streamlines brainstorming for efficient collaboration from anywhere.

#### IMAGO Work

Your secure file-sharing solution for effective teamwork.

Features include real-time collaboration, file preview, access control, locking, online editing, user management, single sign-on, cross-platform syncing, and robust data backup.

The ideal solution for teams seeking secure, efficient collaboration regardless of distance.

#### **IMAGO Smart Present**

Facilitate collaboration across IMAGO Smart Boards with seamless virtual classrooms. Empower educators for 1:1 or group collaboration, effortless class activity management, real-time monitoring, and performance evaluation.

Key features include screen mirroring (up to 16 devices), moderator control (Reverse Broadcast for over 100 devices), and compatibility with Android, iOS, Windows, Mac, and Chrome.

## **IMAGO Proctor**

Manage your classroom investments confidently with IMAGO AIOS Plus Smart Boards. IMAGO Proctor offers a user-friendly solution for centralized management, allowing remote troubleshooting, unified operations, device protection, and automated software management.

Empower educators to focus on teaching while ensuring a secure and efficient learning environment.
