➤ **Innovative Enterprise Solution**

The IMAGO AIOS Plus is an advanced interactive smart boards revolutionizing enterprise operations. With a built-in camera and microphone, it offers a multisensory collaborative experience for both employees and presenters. Ideal for SMEs and corporate settings, this feature-rich whiteboard transforms traditional meeting methods for the digital age.

➤ **Collaborate Seamlessly**

IMAGO AIOS Plus offers an effortless and innovative solution for sharing and collaboration in business settings. Utilizing the interactive whiteboard's intuitive wireless sharing feature, you can easily send content from your device to the board with a single click. Whether you're presenting a business proposal or conducting a meeting, seamless collaboration is at your fingertips.

➤ **Elevate Your Working Experience**

IMAGO AIOS Plus goes beyond a typical whiteboard, empowering users to control the device from their devices and enhancing team productivity through innovative flowchart sharing, brainstorming, and wireframing in meetings. This versatile utility also extends to the enterprise, fostering a more engaging and collaborative working atmosphere.

IMAGO Smart Present

Facilitate collaboration across IMAGO Smart Boards with seamless virtual meetings. Empower enterprise teams for 1:1 or group collaboration, effortless meeting activity management, real-time monitoring, and performance evaluation.

Key features include screen mirroring (up to 16 devices), moderator control (Reverse Broadcast for over 100 devices), and compatibility with Android, iOS, Windows, Mac, and Chrome.

IMAGO Collab

A virtual whiteboard with a rich library, enables seamless collaboration on any device or browser.

It empowers teams to communicate across various formats and time zones, overcoming physical constraints.

With an AI-powered image generator and templates, IMAGO Collab streamlines brainstorming for efficient collaboration from anywhere.

IMAGO Flash

A secure, user-friendly video conference app crafted for consistent performance across devices and platforms.

Ideal for virtual/hybrid business meetings, it offers an instant, seamless experience for setting up or joining video calls anytime, anywhere-all within a single application.

IMAGO Work

Your secure file-sharing solution for effective teamwork.

Features include real-time collaboration, file preview, access control, locking, online editing, user management, single sign-on, cross-platform syncing, and robust data backup.

The ideal solution for teams seeking secure, efficient collaboration regardless of distance.
